

News Release

February Consolidated Sales of NT\$779 Million Up 5% YoY

TAIPEI, Taiwan, March 10, 2015 – Aurora Corp. (Ticker: 2373 TT / 2373 TW) today reported consolidated net sales for February 2015 of NT\$779 million, down 21% from January and up 5% from last February.

In February, due to fewer working days as a result of Lunar New Year Holidays. February revenue in China decreased 24% to 102 million RMB from January and up 7% from last February. China's share of total revenue reached 64% in the month, in which office automation grew by 6% to 36 million RMB from the year-ago period.
